1. Total program cost is based upon the total number of credits in a degree program, less applicable course material waivers. The total number of credits taken at American InterContinental University may vary due to transfer credits, block transfer, or repeated courses. Students possessing an earned Associate degree from an accredited institution at the time of admission to American InterContinental University may be eligible for a block transfer of credits into select Bachelor degree programs. See the Degree Programs section of the catalog for descriptions of the degree programs.
2. Program tuition is charged per credit hour each quarter throughout the student's program and is charged at the beginning of each quarter.
3. Course materials are provided to the student by Words of Wisdom, LLC. At the University's discretion, books may be delivered in an electronic (e-Book) or standard textbook format. Students not wishing to use e-Books are responsible for any additional charges associated with purchasing standard textbooks.
4. Course Material charges per term are derived by taking a net average cost of course materials per course multiplied by the number of courses in the term. The average cost of books by degree type are as follows: Undergraduate $42 per course/Graduate $35 per course.
5. Course material charges for each term are assessed and billed after the add/drop period of each quarter. Course material waivers for the term (when applicable) will be subsequently applied to student statements during the aforementioned timeframe. Adjustments to book charges will not be made should there be any changes to course schedules after the add/drop period for the term.
6. For all students eligible for the military tuition rate, the course materials charge will be posted to a student's account once each term, after the add drop period. The charge will then be waived, resulting in no net materials cost to the student.
7. Students wishing to enroll under non-degree-seeking status should see the University Course Catalog for applicable information.

AIU Online reserves the right to make changes at any time to the amount of tuition and fees, as set forth in the Enrollment Agreement. Notice of changes will be communicated in a revised catalog, an addendum or supplement to the catalog, or other written format.

Note: Credentials listed include all institutions of higher education attended and/or degrees earned
