INFORMATION FOR PROSPECTIVE STUDENTS WHO ARE DOMICILED IN MARYLAND

The State of Maryland (Maryland Code, Commercial Law §13-320(b)(1)-(2)) requires that higher education institutions such as American InterContinental University disclose the information below to its prospective students. Historical program level data may be based on a limited numbers of students and institutional earnings data may not correlate to your program of study and therefore should not be relied upon as an accurate indication of what earnings you should expect upon graduation.

PROGRAM NAME: Associate of Arts in Business Administration

PROGRAM LEVEL: Associate

The total institutional costs of tuition and fees for the program are \$32,590.00. See the tuition and fee schedule at https://www.aiuniv.edu/Media/Default/AIU/documents/tuition-and-financial-aid/fees_online.pdf for more information.

AIU also provides estimates of additional ordinary living expenses that may be applicable to a student during their program for purposes of determining financial aid eligibility. These miscellaneous expense estimates include amounts for housing and meals, travel, and miscellaneous expenses such as dependent care or a computer. The actual estimate used for any student will depend on factors such as: academic workload, program length, housing/living arrangements, and military affiliation. The range of AIU's estimates of these living expenses for your program are from \$11,832.00 to \$24,667.00. These are not expenses you will owe to AIU, but along with the institutional cost of the program referenced above, would constitute a total cost of attendance for the program.

The program is designed to be completed in 24 months and consists of 90.00 quarter credit hours.

14% of students that initially started the program as full-time students completed the program within 36 months of starting. 3% of students that initially started the program as part-time students completed the program within 36 months of starting.¹

46% of students that were active in this program as of the close of the August 2022 term start, whether full or part-time, withdrew within three terms (which represents one academic year)²

The median combined loan debt for federal loans, institutional loans, and private loans certified by the institution, for all students who completed the program during the most recently completed award year was \$1,027.00.³

The Higher Learning Commission, AIU's institutional accreditor, does not require the University to calculate a placement rate for either the institution or this program.

There are no applicable educational prerequisites for professional licensure or certification in the State of Maryland for this program. The University cannot guarantee that a graduate will be able to obtain a particular certification, permit, or license or secure employment in the field upon graduation or at any time in the future. It is the student's responsibility to investigate the requirements before starting class to determine whether he/she will be eligible to pursue any particular employment and/or advancement in this field upon graduation.

According to the U.S. Department of Education's [College Scorecard](#), the median earnings of former students, regardless of program, who received federal financial aid at 10 years after entering the institution was \$36,578.00 per year.

You can find the cancellation and refund policy at the following link: <http://aiuniv.smartcatalogiq.com/current/Catalog/FINANCIAL-AID/Refund-Policy>

-
1. The program level completion rate is the percent of the cohort graduating within 150% normal time for the student's program. The cohort consists of all initial program entrants who enrolled during the time period that is 150 percent the normal program length preceding the 07/01/2022 - 06/30/2023 award year. Full time / part time status is determined based on credits attempted during the first term after entering the program.
 2. The program level withdrawal rate is the percent of all students who were active⁽¹⁾ in the program as of the close of the 08/2022 term start, and were subsequently withdrawn⁽²⁾ on, or prior to, the close of the 03/2023 fourth term start.
 1. A student is considered to be active if s/he possesses a status of Active, Externship, Probation, LOA, SPN, or Pending Graduate.
 2. The number of withdrawn students excludes those who were dismissed by American InterContinental University for any of the following: failure to maintain satisfactory academic progress, failure to pay school fees and/or tuition by applicable deadlines, engaging in fraudulent financial activities, disruptive behavior, posing a danger to the health or welfare of students or other members of the community, or failure to comply with the policies and procedures of the institution.
 3. The program level median debt consists of the median amount of cumulative debt across all graduates of the given program for the most recently completed award year. All Federal loans, Private loans and Institutional balances due upon graduation by the student for the given program and any lower level graduate / undergraduate degrees are included.

 3. The program level median debt consists of the median amount of cumulative debt across all graduates of the given program for the most recently completed award year. All Federal loans, Private loans and Institutional balances due upon graduation by the student for the given program and any lower level graduate / undergraduate degrees are included.

INFORMATION FOR PROSPECTIVE STUDENTS WHO ARE DOMICILED IN MARYLAND

The State of Maryland (Maryland Code, Commercial Law §13-320(b)(1)-(2)) requires that higher education institutions such as American InterContinental University disclose the information below to its prospective students. Historical program level data may be based on a limited numbers of students and institutional earnings data may not correlate to your program of study and therefore should not be relied upon as an accurate indication of what earnings you should expect upon graduation.

PROGRAM NAME: Bachelor of Business Administration

PROGRAM LEVEL: Bachelor's

The total institutional costs of tuition and fees for the program are \$29,998.80. See the tuition and fee schedule at https://www.aiuniv.edu/Media/Default/AIU/documents/military/aiu-military_tuition_fees.pdf for more information.

AIU also provides estimates of additional ordinary living expenses that may be applicable to a student during their program for purposes of determining financial aid eligibility. These miscellaneous expense estimates include amounts for housing and meals, travel, and miscellaneous expenses such as dependent care or a computer. The actual estimate used for any student will depend on factors such as: academic workload, program length, housing/living arrangements, and military affiliation. The range of AIU's estimates of these living expenses for your program are from \$21,576.00 to \$44,981.00. These are not expenses you will owe to AIU, but along with the institutional cost of the program referenced above, would constitute a total cost of attendance for the program.

The program is designed to be completed in 48 months and consists of 180.00 quarter credit hours.

35% of students that initially started the program as full-time students completed the program within 72 months of starting. 15% of students that initially started the program as part-time students completed the program within 72 months of starting.¹

41% of students that were active in this program as of the close of the August 2022 term start, whether full or part-time, withdrew within three terms (which represents one academic year)²

The median combined loan debt for federal loans, institutional loans, and private loans certified by the institution, for all students who completed the program during the most recently completed award year was \$34,044.00.³

The Higher Learning Commission, AIU's institutional accreditor, does not require the University to calculate a placement rate for either the institution or this program.

There are no applicable educational prerequisites for professional licensure or certification in the State of Maryland for this program. The University cannot guarantee that a graduate will be able to obtain a particular certification, permit, or license or secure employment in the field upon graduation or at any time in the future. It is the student's responsibility to investigate the requirements before starting class to determine whether he/she will be eligible to pursue any particular employment and/or advancement in this field upon graduation.

According to the U.S. Department of Education's [College Scorecard](#), the median earnings of former students, regardless of program, who received federal financial aid at 10 years after entering the institution was \$36,578.00 per year.

You can find the cancellation and refund policy at the following link: <http://aiuniv.smartcatalogiq.com/current/Catalog/FINANCIAL-AID/Refund-Policy>

-
1. The program level completion rate is the percent of the cohort graduating within 150% normal time for the student's program. The cohort consists of all initial program entrants who enrolled during the time period that is 150 percent the normal program length preceding the 07/01/2022 - 06/30/2023 award year. Full time / part time status is determined based on credits attempted during the first term after entering the program.
 2. The program level withdrawal rate is the percent of all students who were active⁽¹⁾ in the program as of the close of the 08/2022 term start, and were subsequently withdrawn⁽²⁾ on, or prior to, the close of the 03/2023 fourth term start.
 1. A student is considered to be active if s/he possesses a status of Active, Externship, Probation, LOA, SPN, or Pending Graduate.
 2. The number of withdrawn students excludes those who were dismissed by American InterContinental University for any of the following: failure to maintain satisfactory academic progress, failure to pay school fees and/or tuition by applicable deadlines, engaging in fraudulent financial activities, disruptive behavior, posing a danger to the health or welfare of students or other members of the community, or failure to comply with the policies and procedures of the institution.
 3. The program level median debt consists of the median amount of cumulative debt across all graduates of the given program for the most recently completed award year. All Federal loans, Private loans and Institutional balances due upon graduation by the student for the given program and any lower level graduate / undergraduate degrees are included.

Historical program level data may be based on a limited numbers of students and institutional earnings data may not correlate to your program of study and therefore should not be relied upon as an accurate indication of what earnings you should expect upon graduation.

PROGRAM NAME: Master of Business Administration

PROGRAM LEVEL: Master's

The total institutional costs of tuition and fees for the program are \$30,220.00. See the tuition and fee schedule at https://www.aiuniv.edu/Media/Default/AIU/documents/tuition-and-financial-aid/fees_online.pdf for more information.

AIU also provides estimates of additional ordinary living expenses that may be applicable to a student during their program for purposes of determining financial aid eligibility. These miscellaneous expense estimates include amounts for housing and meals, travel, and miscellaneous expenses such as dependent care or a computer. The actual estimate used for any student will depend on factors such as: academic workload, program length, housing/living arrangements, and military affiliation. The range of AIU's estimates of these living expenses for your program are from \$7,110.00 to \$14,660.00. These are not expenses you will owe to AIU, but along with the institutional cost of the program referenced above, would constitute a total cost of attendance for the program.

The program is designed to be completed in 11 months and consists of 45.00 quarter credit hours.

56% of students that initially started the program as full-time students completed the program within 16.5 months of starting. 15% of students that initially started the program as part-time students completed the program within 16.5 months of starting.¹

11% of students that were active in this program as of the close of the August 2022 term start, whether full or part-time, withdrew within three terms (which represents one academic year)²

The median combined loan debt for federal loans, institutional loans, and private loans certified by the institution, for all students who completed the program during the most recently completed award year was \$32,471.00.³

The Higher Learning Commission, AIU's institutional accreditor, does not require the University to calculate a placement rate for either the institution or this program.

There are no applicable educational prerequisites for professional licensure or certification in the State of Maryland for this program. The University cannot guarantee that a graduate will be able to obtain a particular certification, permit, or license or secure employment in the field upon graduation or at any time in the future. It is the student's responsibility to investigate the requirements before starting class to determine whether he/she will be eligible to pursue any particular employment and/or advancement in this field upon graduation.

According to the U.S. Department of Education's [College Scorecard](#), the median earnings of former students, regardless of program, who received federal financial aid at 10 years after entering the institution was \$36,578.00 per year.

-
1. The program level completion rate is the percent of the cohort graduating within 150% normal time for the student's program. The cohort consists of all initial program entrants who enrolled during the time period that is 150 percent the normal program length preceding the 07/01/2022 - 06/30/2023 award year. Full time / part time status is determined based on credits attempted during the first term after entering the program.
 2. The program level withdrawal rate is the percent of all students who were active⁽¹⁾ in the program as of the close of the 08/2022 term start, and were subsequently withdrawn⁽²⁾ on, or prior to, the close of the 03/2023 fourth term start.
 1. A student is considered to be active if s/he possesses a status of Active, Externship, Probation, LOA, SPN, or Pending Graduate.
 2. The number of withdrawn students excludes those who were dismissed by American InterContinental University for any of the following: failure to maintain satisfactory academic progress, failure to pay school fees and/or tuition by applicable deadlines, engaging in fraudulent financial activities, disruptive behavior, posing a danger to the health or welfare of students or other members of the community, or failure to comply with the policies and procedures of the institution.
 3. The program level median debt consists of the median amount of cumulative debt across all graduates of the given program for the most recently completed award year. All Federal loans, Private loans and Institutional balances due upon graduation by the student for the given program and any lower level graduate / undergraduate degrees are included.

The total institutional costs of tuition and fees for the program are \$22,365.00. See the tuition and fee schedule at https://www.aiuniv.edu/Media/Default/AIU/documents/military/aiu-military_tuition_fees.pdf for more information.

AIU also provides estimates of additional ordinary living expenses that may be applicable to a student during their program for purposes of determining financial aid eligibility. These miscellaneous expense estimates include amounts for housing and meals, travel, and miscellaneous expenses such as dependent care or a computer. The actual estimate used for any student will depend on factors such as: academic workload, program length, housing/living arrangements, and military affiliation. The range of AIU's estimates of these living expenses for your program are from \$7,110.00 to \$14,660.00. These are not expenses you will owe to AIU, but along with the institutional cost of the program referenced above, would constitute a total cost of attendance for the program.

The program is designed to be completed in 11 months and consists of 45.00 quarter credit hours.

30% of students that initially started the program as full-time students completed the program within 16.5 months of starting. 7% of students that initially started the program as part-time students completed the program within 16.5 months of starting.¹

30% of students that were active in this program as of the close of the August 2022 term start, whether full or part-time, withdrew within three terms (which represents one academic year)²

The median combined loan debt for federal loans, institutional loans, and private loans certified by the institution, for all students who completed the program during the most recently completed award year was \$38,065.00.³

The Higher Learning Commission, AIU's institutional accreditor, does not require the University to calculate a placement rate for either the institution or this program.

There are no applicable educational prerequisites for professional licensure or certification in the State of Maryland for this program. The University cannot guarantee that a graduate will be able to obtain a particular certification, permit, or license or secure employment in the field upon graduation or at any time in the future. It is the student's responsibility to investigate the requirements before starting class to determine whether he/she will be eligible to pursue any particular employment and/or advancement in this field upon graduation.

According to the U.S. Department of Education's [College Scorecard](#), the median earnings of former students, regardless of program, who received federal financial aid at 10 years after entering the institution was \$36,578.00 per year.

1. The program level completion rate is the percent of the cohort graduating within 150% normal time for the student's program. The cohort consists of all initial program entrants who enrolled during the time period that is 150 percent the normal program length preceding the 07/01/2022 - 06/30/2023 award year. Full time / part time status is determined based on credits attempted during the first term after entering the program.
 2. The program level withdrawal rate is the percent of all students who were active⁽¹⁾ in the program as of the close of the 08/2022 term start, and were subsequently withdrawn⁽²⁾ on, or prior to, the close of the 03/2023 fourth term start.
 1. A student is considered to be active if s/he possesses a status of Active, Externship, Probation, LOA, SPN, or Pending Graduate.
 2. The number of withdrawn students excludes those who were dismissed by American InterContinental University for any of the following: failure to maintain satisfactory academic progress, failure to pay school fees and/or tuition by applicable deadlines, engaging in fraudulent financial activities, disruptive behavior, posing a danger to the health or welfare of students or other members of the community, or failure to comply with the policies and procedures of the institution.
 3. The program level median debt consists of the median amount of cumulative debt across all graduates of the given program for the most recently completed award year. All Federal loans, Private loans and Institutional balances due upon graduation by the student for the given program and any lower level graduate / undergraduate degrees are included.

INFORMATION FOR PROSPECTIVE STUDENTS WHO ARE DOMICILED IN MARYLAND

The State of Maryland (Maryland Code, Commercial Law §13-320(b)(1)-(2)) requires that higher education institutions such as American InterContinental University disclose the information below to its prospective students. Historical program level data may be based on a limited numbers of students and institutional earnings data may not correlate to your program of study and therefore should not be relied upon as an accurate indication of what earnings you should expect upon graduation.

PROGRAM NAME: Master of Science in Information Technology

PROGRAM LEVEL: Master's

The total institutional costs of tuition and fees for the program are \$30,220.00. See the tuition and fee schedule at https://www.aiuniv.edu/Media/Default/AIU/documents/tuition-and-financial-aid/fees_online.pdf for more information.

AIU also provides estimates of additional ordinary living expenses that may be applicable to a student during their program for purposes of determining financial aid eligibility.
