

Bachelor of Healthcare Management (BHCM)

Specialization in Health Services Administration

The AIU Bachelor of Healthcare Management degree program combines the required general education courses that provide a liberal-arts foundation with core concepts in healthcare management and specialized courses designed to provide students with the knowledge, skills and ability to pursue opportunities in health services management for a wide array of healthcare organizations.

IN-DEPTH SPECIALIZATION

By studying key topics in Health Services Administration Management to complete the core and specialization requirements, you have an opportunity to focus your interests on coordinating, planning and directing healthcare services, including administering operations, finance, policy development, service delivery and compliance for a wide range of health organizations.

TAUGHT BY EXPERIENCED FACULTY

AIU's BHCM program is taught by a team of experienced faculty who bring their real-world perspectives into the classroom. This approach can help students better understand the qualities and skills sought in the healthcare industry.

THE ACCREDITATION COUNCIL FOR BUSINESS SCHOOLS AND PROGRAMS (ACBSP)

The ACBSP accreditation means that AIU's Business Administration programs meet the rigorous standards of this accreditation association. It helps ensure that what we teach is industry-relevant in today's business environment.
