

Training Materials for Title IX Personnel

The University will ensure that University officials acting under this policy, including but not limited to the Title IX Coordinator, investigators, hearing officers, administrative officers, informal resolution facilitators, University provided advisors, and appeals officers receive training in compliance with 34 C.F.R. § 106.45(b)(1)(iii) and any other applicable federal or state law.

AIU is required to provide its training materials for review by students, employees, and other interested parties. The University is working to complete its initial training of these individuals. Training materials will be posted as soon as training is completed and delivered to AIU Title IX personnel. In all cases, such training will be completed and posted to the University website prior to the initiation of any Title IX investigations.
